

GRADE 2 WORKSHEET #1

BORIS IN THE BOREAL ADVENTURE STOPS 1 & 2

1. **Circle the best answer.** Why did Indigenous people use birch bark canoes?

- a. They were easy to carry
- b. They were made from natural resources
- c. They helped people travel on the rivers
- d. All of the above

2. **Draw** a teepee and **write** why were they useful for nomadic living?

3. **Draw** two things special to Métis culture (*Ex. Métis sash, beadwork, and jigging*).
Write why are traditions important to communities?

4. **Circle all the best answers.**
What did Indigenous people use from the Boreal Forest?

- a. Berries
- b. Trees
- c. Moose

5. **Circle the best answer.** Why is it important to keep Indigenous languages alive (*such as the Cree and Dene Tha' languages*)?

- a. To remember the past
- b. To connect with Elders
- c. To share culture
- d. All of the above

GRADE 2 WORKSHEET #2

BORIS IN THE BOREAL ADVENTURE STOPS 4 & 5

1. **Circle the best answer.** Why do plants need soil to survive?

- a. It gives them sunlight
- b. It holds their roots
- c. It gives them water and nutrients
- d. It makes them run faster

2. Machesis Lake is a body of water. **Draw** the lake and label any plants or animals you might find living there.

3. **Write.** Foresters use tools to measure tree growth. Why is it important to know how tall or old a tree is?

4. **Write.** What do bear tracks and bear dens tell us about their habitat? How do we stay safe while learning about bears?

5. **Fill in the blanks.**

→ Some trees are _____ and lose their leaves in the fall.

→ Some trees are _____ and keep their needles all year.

GRADE 2 WORKSHEET #3

BORIS IN THE BOREAL ADVENTURE STOPS 6 & 7

1. **Circle the answer.** Why is it important to plant new trees after cutting old ones down?

- a. To help forests grow again
- b. To make room for houses
- c. To make space for farmland

2. **Fill in the blank.**

→ Plywood is used to build houses because it is _____ and _____.

3. **Draw a line to match** each natural resource to its use for people.

Wood	drinking
Water	cleaning the air
Trees	furniture

4. **Circle all answers that are correct.** What do trees need to grow?

- a. Sunlight
- b. Music
- c. Water
- d. Candy
- e. Soil
- f. Air

5. **Circle all answers that are correct.** What happens if we cut down too many trees?

- a. Less fresh air
- b. More food for animals
- c. Fewer plants and animals
- d. More animal homes

GRADE 2 WORKSHEET #4

BORIS IN THE BOREAL ADVENTURE STOPS 8 & 9

1. **Circle the answer.** Why do firefighters wear special clothes made from thick materials?

- a. To look cool
- b. To keep them cold
- c. To protect them from the heat and fire

2. **Fill in the blank.**

→ Dozers are used to _____ trees and plants to help stop wildfires from spreading.

3. **Draw and label** what you might see after a wildfire.

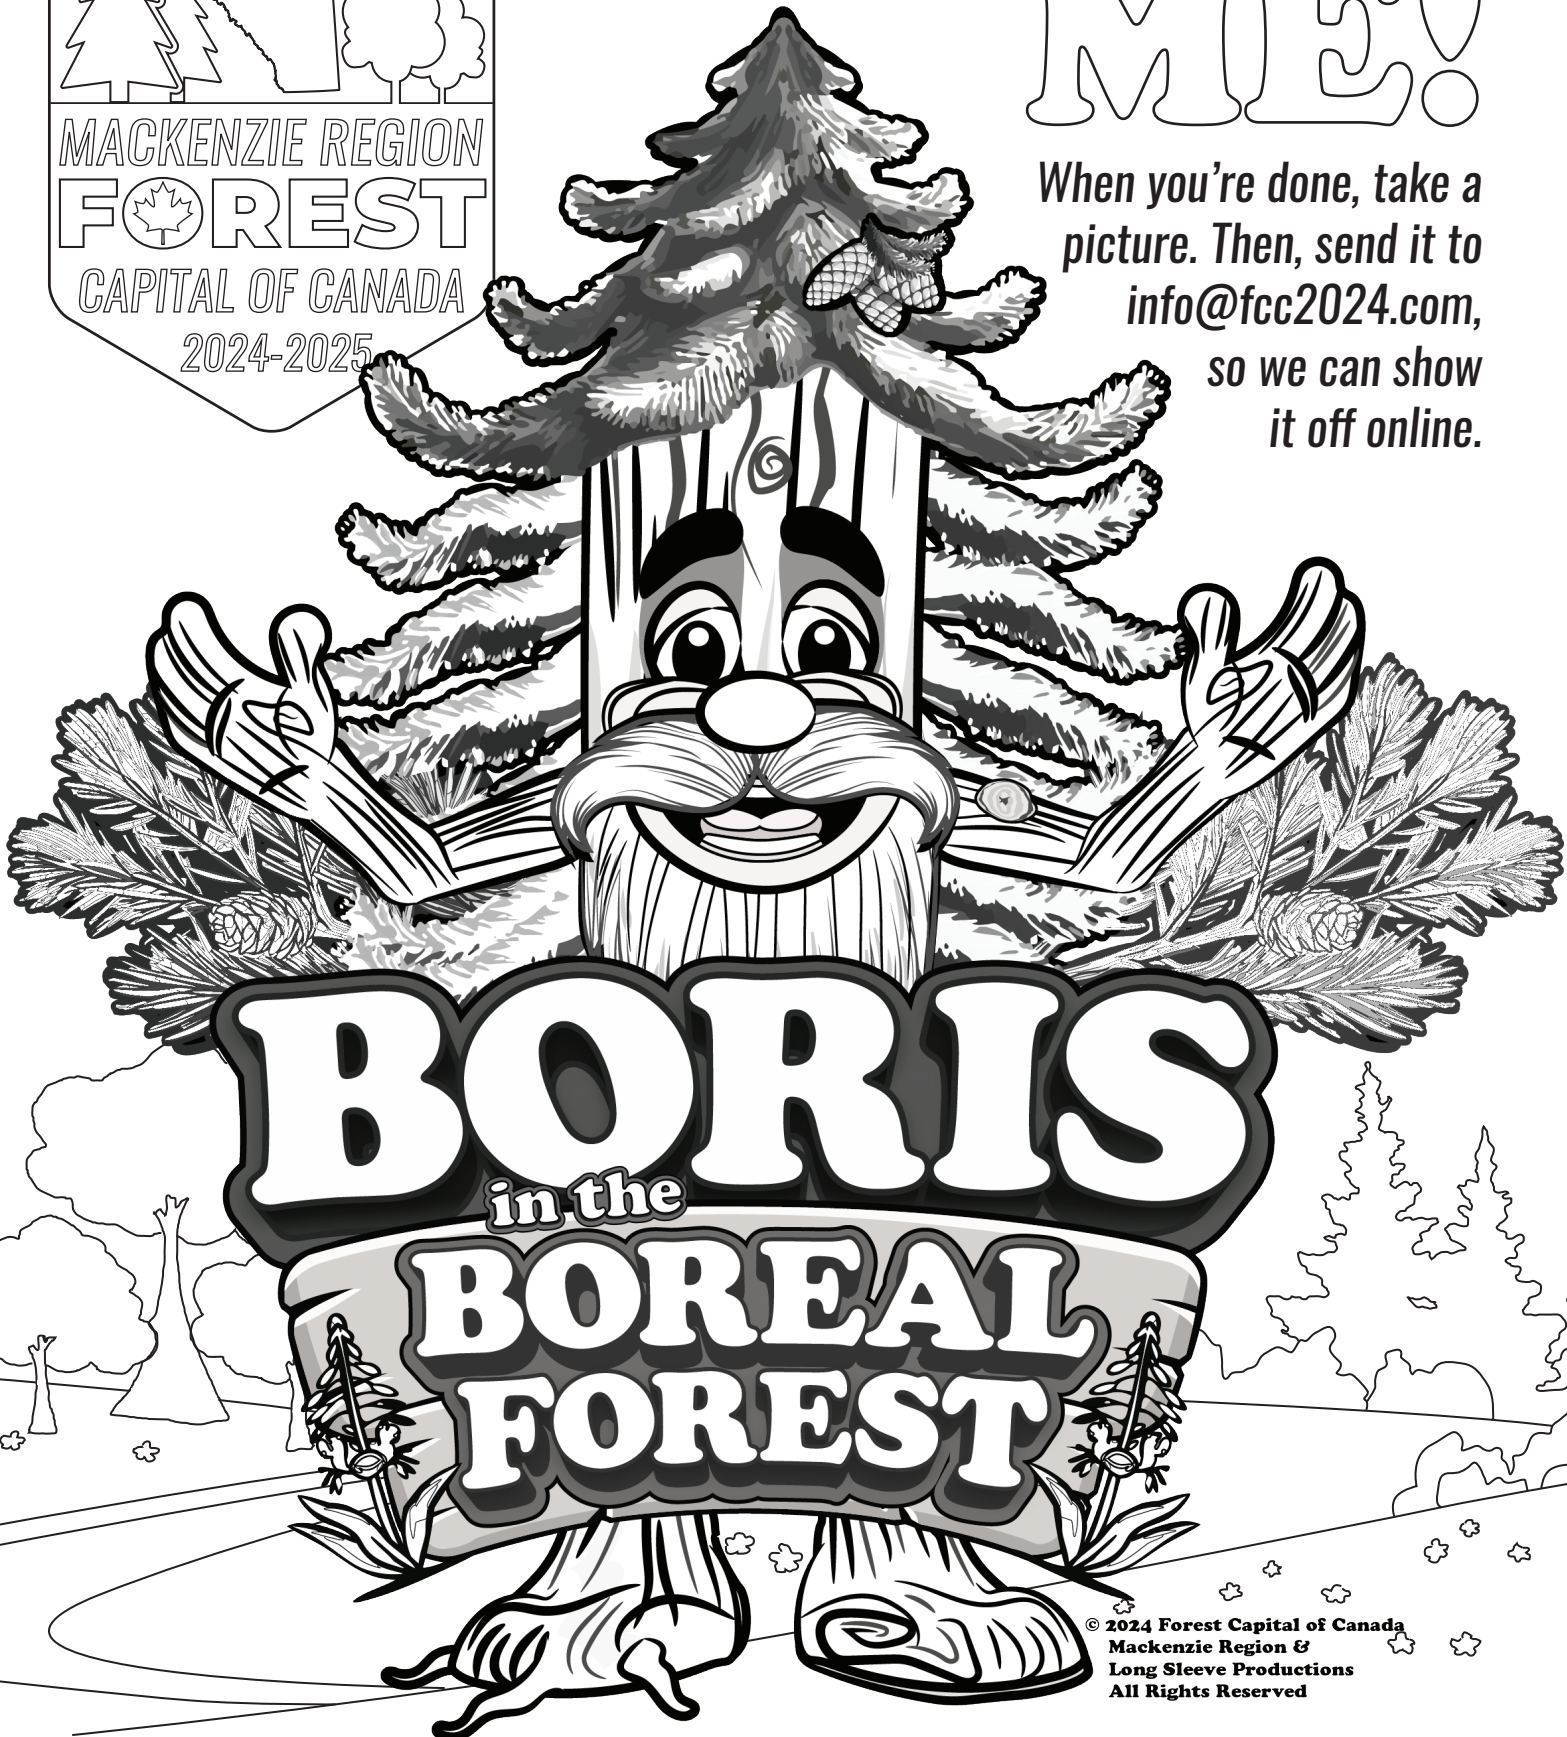

4. **Write.** After a wildfire, how do forests grow back? What needs to happen first?

5. **Write.** What kinds of careers can you have in forestry?

Colour ME!

*When you're done, take a
picture. Then, send it to
info@fcc2024.com,
so we can show
it off online.*
